

Want to secure all those odds & ends that slide around the back seat of your truck? Here's the perfect solution:

The DU-HA® storage unit fits either under or behind the back seat of your pickup truck and is made of heavy-duty polyethylene, making it virtually indestructible. Use it to store your tools, firearms, and other valuables safely out of sight. Most models come with organizers/gun racks and dividers to configure to your storage needs. The DU-HA® also acts as a legal gun case in most states.
