

1988 – 1998 Chevrolet & GMC Regular Cab Behind-the-Seat Storage

Fits DU-HA Part Numbers
10038

Materials Needed:

- // 13mm wrench // 13mm socket

Installation Instructions:

- 1 Pull seats all the way forward and recline seat back forward.
- 2 Remove wing nut from jack box.
- 3 Lift off jack box cover and remove all jack parts.
- 4 Using included cable ties (*these are releasable/reusable*), attach 2 short jack tools to jack as pictured.
- 5 Place jack and tools under the passenger seat.
- 6 Using a 13mm socket, remove nut from right side of jack box.
- 7 Using the 2 Finhex nuts provided, screw both down on shaft as pictured. Tighten nuts together.
- 8 Using a 13mm wrench on bottom Finhex nut, turn counter clockwise and remove shaft as pictured.
- 9 Finish installing the DU-HA behind the seat using the bolt and washer included in the package and the existing nut that was removed. Tighten down to the end of the threads as pictured.
- 10 Store the 2 long jack handles inside the DU-HA, underneath the organizer/gun racks.
- 11 If desired, install the foam organizer/gun racks with the plastic stiffeners by bending and snapping them into the channel slots in the DU-HA (as pictured). Gun racks can be installed to hold two guns or one gun depending on how you install them.

Safety Instructions:

Warning: Seat back must be up and latched at all times while vehicle is moving. Make sure the DU-HA is secured in the vehicle according to installation instructions. Do not store explosives or hazardous materials in the DU-HA. Do not place loaded guns in the DU-HA. For further instructions refer to truck owners manual or contact DU-HA, Inc.
