

2019–2021 RAM 1500 Crew Cab (New Body Style)

LOCKBOX – Underseat Storage

Fits DU-HA Part Number

30120

Installation Instructions:

1 Install the DU-HA Lockbox by following the instructions included with the divider kit. To remove Lockbox remove the Carabiner and rectangular washer from the RAM mounting strap. Do this on each side and remove the Lockbox. To re-install set the Lockbox back into position and slide the RAM mounting straps back through the slots in the back of the Lockbox. Then slide the rectangular washer onto the RAM mounting strap and clip the Carabiner through the hole in the RAM mounting strap, on both sides.

2 To lock the Lockbox insert the key into the lock with the teeth on the key pointing to the outside of the vehicle. Once the key is inserted turn the key clockwise to lock the driver's side and counter-clockwise to lock the passenger's side. When locked the teeth on the key should be pointing downward. Remove the key.

3 To Un-lock the Lockbox insert the key into the lock with the teeth on the key pointing downward. Turn the key counter-clockwise to unlock the driver's side and clockwise to unlock the passenger's side.

4 If you have the reclining back seats remove the bag holder from bottom of seats, use a flat screwdriver to remove the plastic cover on holder. Remove the bag holder using a #25 torque bit.

Safety Instructions:

Warning: Make sure the DU-HA is secured in the vehicle according to installation instructions. Do not store explosives or hazardous materials in the DU-HA. Do not place loaded guns in the DU-HA. For further instructions refer to truck owner's manual or contact DU-HA, Inc.
